# SUNSEEKER PORTOFINO 48 (2012)

**PRECIO: 519.750,00€**

### MANUFACTURER PROVIDED DESCRIPTION

Combining space with pace, the Portofino 48 achieves a remarkable interior plan, with a full-beam owner's aft suite with huge windows to either side. Forward, there's a clever VIP suite in which the double bed cunningly swings apart to create twin single berths. The central saloon sits at the heart of the accommodation and enjoys a mix of grain, bold lacquers and deep glass options. The boat's profile is sleek with a long expanse of foredeck topped by cantilevering sunpads. The cockpit screen rises fairly well aft in a smooth and neatly engineered radius, behind which is a helm station with pilot seating, wetbar and full dining arrangement. There's also a choice of open or hard top versions.
