PERSHING 52' (2002)

PRECIO: 320.000,00€

[English]

ALDARA is an exceptionally well-maintained Pershing 52 with only two owners since new. Always maintained by a professional captain by her 1st owner and only used for 4 months a year (her remaining 8 months were stored ashore), whilst ALDARA's 2nd owner has invested 150,000 euros in making her easily the best Pershing 52 on the market.

ALDARA of London is turn-key ready and awaiting her new adventures.
