RIVA 52' RIVALE (2007)

PRECIO: 550.000,00€

[English]

Even just the name of the Rivale - whose style and sophistication pay tribute to the brand's tradition - heralds a strong, determined personality. The Rivale is indeed characterized by a streamlined, aggressive outer look, which however hides refined, cozy interiors that strike for their fine woods, precious fabrics, a design that harmoniously blends together elegance and sobriety, and literally genial layout solutions that optimize the space available. Wide cabins, a very comfortable dinette, a cockpit allowing to enjoy outdoor life to the fullest, and one of the largest garages in this category (it can host a 3.2-metre tender): this 52 footer has undoubtedly a strong personality and is perfect for all those who want to experience life at sea enjoying the utmost comfort and privacy, and relying on guaranteed reliability and user-friendliness. The Rivale fully embodies the philosophy of all Riva's new yachts: a strong character, style, elegance, and innovation.
